Mr. H. F. Wareing
1747 N. 12th Street
Milwaukee, Wisconsin

Dear Mr. Wareing

To help make the WORLD-WIDE RADIO AMATEUR CONVENTION - August 3, 4th, and 5th - an outstanding event in the realms of amateur radio, an elaborate souvenir program will be issued.

In this connection, the souvenir program will carry pictures of each Convention speaker, and because you have accepted our invitation to be one of the speakers please furnish us with a picture of yourself (any kind - even a snapshot if it is a good one - head and shoulders preferred) suitable for halftone reproduction. Along with the picture submit a brief history of your radio accomplishments, connections, date of birth, and the city in which you were born.

In addition please submit a brief outline of the points to be covered in your technical talk. This also will be included in the souvenir program.

It is very necessary that we have this material at the earliest possible moment; so won't you please send it at your very first convenience? Thank you.

Yours very truly
WORLD-WIDE RADIO AMATEUR CONVENTION COMMITTEE
